a. Cash in lieu for family ends when the youngest child attains the age of 26.

17.2 Hourly Insurance requirements

For an employee to be covered for this insurance, they must be assigned a minimum of two regularly scheduled A.M. and P.M. runs per day and work a minimum of thirty (30) hours per week during the school year. **Any employee under this who begins their first driving season as of or after September 1, 2014 and works under 30 hours per week will not be eligible for health insurance or cash-in-lieu.**

17.3 The hours listed on the employee’s pay-slips will be used as the weekly insurance qualification with the following inclusions;

17.4.1 All school breaks such as winter and spring break will be considered as a driver’s normal hours worked towards insurance.

17.4.2 In-service days that were previously ½ days and were changed to full days off will also be considered as a driver’s normal hours worked towards insurance.

17.4 It is the responsibility of the drivers to monitor their own weekly hours and ensure they have worked enough to continue to qualify for insurance benefits. If an employee electing health insurance can not meet the 30 hour weekly requirement he/she will be responsible for contacting the maintenance supervisor who will provide work opportunities to allow the employee to reach the 30 hour requirement. Drivers must first attempt to fill needed hours by taking extra trips and only use this option if extra trips will not allow he/she to obtain the needed hours.

17.5 If a driver falls short of the required hours in any week, that driver will have one month (30 calendar days) in which to work enough extra hours to increase their average up to at least thirty (30) hours per week for the week they were short and each succeeding week thereafter.

17.6 If a driver fails to bring a short insurance week up to the thirty (30) hour minimum needed in the thirty (30) calendar day time limit, the driver will lose their insurance benefit immediately and insurance paid for, by the employer, will not be available until the next insurance anniversary date in September of the following contract year.

17.7 For those not needing health insurance that qualify, who do not elect to receive the health insurance may apply the "cash-in-lieu" amount found in Appendix A. However, in the event a driver averages between 25 and 30 hours, the following "cash-in-lieu" payment schedule will be used:

- 25 hours = 83.3%
- 26 hours = 86.7%
- 27 hours = 90.0%
- 28 hours = 93.3%
- 29 hours = 96.7%
- 30+ hours = 100%

Reductions in "cash-in-lieu" will be spread evenly over the remaining scheduled pay dates within the current fiscal year. If the average hours worked in the second semester vary from the average of the first semester, a final adjustment will be made on the last June pay date.

Of the premium amount they are qualified for to apply to:

- 17.8.1 Dental insurance premiums;
- 17.8.2 Vision insurance premiums;
- 17.8.3 Term Life Insurance;
- 17.8.4 A partial payment for any available health insurance program, 2 party or full family. In any case the employee will be responsible for the payment of premium in excess of the Board contribution;
- 17.8.5 An existing annuity program; and
- 17.8.6 Section 125 cash option.
