SERVICES AVAILABLE

NURSING: These services include a school nursing assessment and care for minor injury and illness, administering limited over-the-counter medication, coordinating care and chronic disease management with the school and primary care provider, providing basic laboratory services and tests, assessing immunizations, providing referrals to establish primary care and oral healthcare providers, assessing mental health and risk behaviors, and accessing nurse practitioners through telemedicine.

MENTAL HEALTH: These services include individual, family, and group counseling, crisis intervention, assessment of risk behaviors, and may also include student substance abuse services, health education, risk reduction counseling, communication with the patient's primary care provider, and Medicaid outreach and enrollment. Telehealth services may also be offered.

ELKS WELLNESS CENTER POLICY

Parents/Guardians must provide consent for their minor children for services at Elks Wellness Center. Minors without consent will only be seen one time with verbal parent/guardian permission. Exceptions to this policy, required by federal and Michigan laws*, are emergencies threatening life or limb, substance abuse services, family planning counseling, HIV counseling and testing, sexually transmitted infection screening and treatment. Minors 14 years and older can obtain mental health services up to 12 sessions or 4 months without parent/guardian consent. People who are 18 or older, legally emancipated, legally married, under court-order, in the presence of a law officer when the parent cannot be promptly located and/or members of the U.S. Armed Forces provide consent for services themselves.

Services NOT provided:

- **Immunizations.**
- **Prescribing or Dispensing Prescription Medications.**
- **Family Planning Medications & Devices.**
- **Abortion Counseling, Referrals or Services.**

CONSENT FOR SERVICES

By signing this consent form, I certify that I am the parent/legal guardian of the student named above and give consent for the following services: (check one)

☐ Mental health **AND** nursing services ☐ Mental health services **ONLY** ☐ Nursing services **ONLY**

I agree that I have reviewed, understand the Elks Wellness Center services I've stipulated above. This consent does not need to be renewed yearly, and I can withdraw my consent any time in writing. Otherwise, consent applies until my child is age 18. In addition, I acknowledge that:

- All medical records are protected by HIPAA and will only be released in accordance with the Elks Wellness Center policy, which is available for review.
- Services, including certain confidential services, operate in compliance with federal and Michigan laws.*
- I received a copy of the Health Department's Notice of Privacy Practices.
- Testing for bloodborne diseases, including HIV/AIDS, may be performed upon a patient without separate consent if a healthcare professional receives a cut or exposure to my child's blood or body fluids.
- Staff may access school records, such as PowerSchool, to coordinate appointments and services.
