BOND PROPOSAL FACTS

Looking to the future of Elk Rapids Schools, the Board of Education is asking the community to consider a bond proposal on Tuesday, November 3, 2020, for district-wide improvements to address identified and ongoing building, facility and site issues.

If approved, this bond proposal would generate \$49,995,000 and would focus on district-wide improvements to all school buildings. The bond projects focus on improving safety & security, building & site improvements to aging systems and improving educational spaces, and upgrading educational technology.
