

CMS Community Action Project 2020-21

Our CMS Community Action Projects provide an incredible experience to students as they learn the importance and value of being a part of their local community. Students in each grade level will be required to volunteer time and provide a service to our community. Students will present their Community Action Project during their P2 class each spring.

***Due to the COVID pandemic and to ensure students are safe we have relaxed the requirements for service within the community this year. Service time can be recorded at home for those students who may not feel comfortable or are not able to participate in the greater Elk Rapids community.

CMS Community Action Projects: Requirements:

What:

Students will engage in volunteer activities to improve our community.

Service Hours:

6th Grade: 5 Hours

7th Grade: 10 Hours

8th Grade 15 Hours

Presentations:

Students will give a presentation during their P2 class highlighting their Community Action Project. Students will also share a reflection on which P2 Character Strengths they used to make the project successful and which they could have used to improve their project.

- 1.5 - 3 Minute Presentation
 - Google Slides, PowerPoint, Poster
- Overview of why the project is important
- Overview of what was accomplished
- Reflection of P2 Character Strengths Used
- Photos of the service
